Executive Summary

The Results Are In For the 2015 Coastal Cleanup-Belmont Creeks to Bay

A staggering 180 volunteers came out on Saturday, September 19th to help clean East Laurel Creek, Water Dog Lake, O'Neill Slough, and several portions of Belmont Creek. Individuals, families, and groups of all ages lined up at 9:00 am to register and pick up their cleanup supplies.

The three-hour event yielded 320 pounds of trash and recyclables that were pulled from the waterways. This year proved to be a very successful with a record number of volunteers and less than half the amount of trash being collected then in last year's cleanup! The cleanup efforts are working!

If you happened to miss this rewarding cleanup event, here are the final stats:

Top 10 Items Found

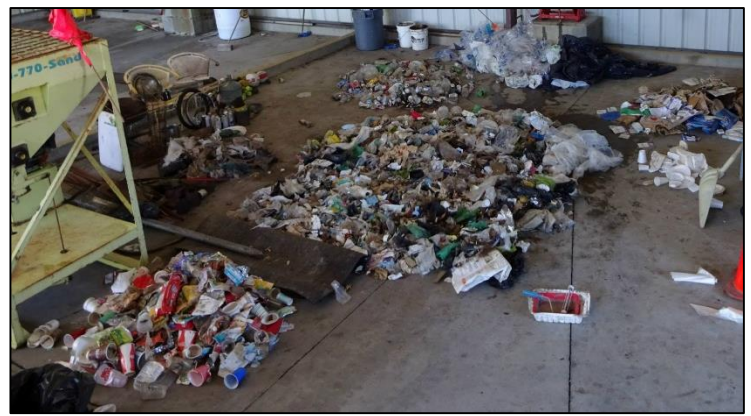

#1	Cigarette butts/filters	1,021
#2	Food/snack wrappers	707
#3	plastic bags/pieces	234
#4	Caps/lids	318
#5	Cups,plates, disposable utensils	222
#6	paper bags/pieces	209
#7	Beverage cans	206
#8	Beverage bottles (glass)	203
#9	Styrofoam	199
#10	Straws, stirrers	167

Volunteers also documented some of the unusual items they found: An old water jug, luggage, dental floss, office chair, a broom, an almost full pack of cigarettes, and fireworks.

We would like to thank all the volunteers that came out to make this event such a success! WE APPRECIATE YOU!

Twin Pines Senior & Community Center

New honorees were recognized at the Center's Giving Tree. Husband and wife team Betty & Frank Rausch received their Bronze Leaf for 5 years of volunteer service. Colleena McHugh went from a Bronze Leaf to a Silver Leaf for her 10 years of volunteer service! And Dave Karlin was present to receive recognition for his donation to the Center in memory of his parents and in-laws Roy & Marita Lesak, and Mike & Gloria Mater.

Parks

Median island maintenance was conducted at multiple locations throughout Belmont this week including Hallmark Drive, Ralston Avenue and Twin Pines Park. These medians require regular maintenance to remove litter and to control vegetation for visibility.

Shrubs are edged to the curbs and tree branches are cut back from the roadways. Irrigation components are also checked for functionality when these medians are cleaned up. Several sprinklers were damaged due to vehicles jumping the curb, and were repaired as well.

At Twin Pines Park in the Redwood Picnic Area, a split rail fence was repaired that had become unsafe due to erosion. The fence was moved and new posts and railings were installed.

A bulletin board was installed at the Sports Complex near the Conference Center parking lot. Be sure to peruse the bulletin boards located throughout Belmont parks and facilities for upcoming community events and fliers related to various activities about town.

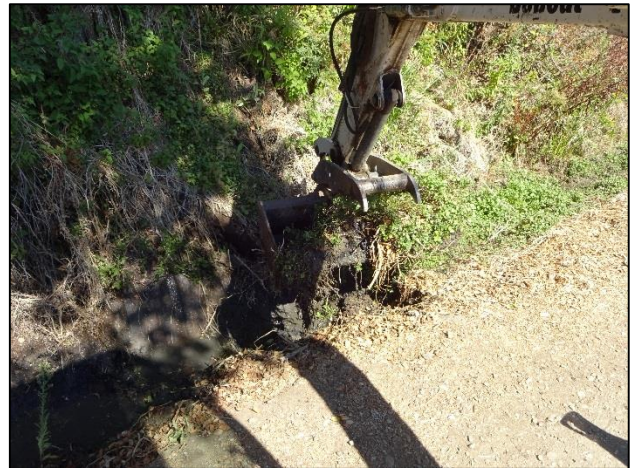

A new dance floor was installed at Barrett Community Center to accommodate the Heartbeat Dance Academy. The parquet flooring is movable and easily adaptable to meet the needs of the dance studio.

For a list of dance classes offered, see the *Belmont Parks and Recreation Fall Activity Guide*:

Storm Division

- Performed twice weekly inspection of Water Dog Lake roadway, dam, v-ditch, spillway, and dock
- Cleaned the creek inlet at the lower gate of Water Dog Lake Rd. in preparation for the upcoming rainy season. 3.78 tons of material was removed from the creek mouth
- Commenced cleaning of the v-ditch along Water Dog Lake Rd., removing vegetation and debris along approx. 350 ft. of roadway which would cause issues in the event of a rain event. This work is ongoing
- Sorted, categorized, and recycled the 320 lbs. of trash which was gathered by the terrific volunteers from last Saturday's Coastal Cleanup Day
- Swept 142 miles of curb resulting in the interception of 11.58 tons of debris before it made its way into surrounding waterways
- Inspected 748 ft. of storm line through the use of Closed Circuit Television
- Visually inspected 218 drain inlets
- Visually inspected 97 manholes
- Cleaned 350 ft. of storm line through the use of our Combo Truck, retrieving 1 yard of debris
- Cleaned and inspected both Harbor and Ralston Storm Pump Stations

Street Sweeping Schedule Change Starting October 6th

Effective October 6th, the Public Works Drainage & Water Pollution Control Division will be conducting a 60-day trial period adjusting the City's street sweeping schedule. This will only affect the current Monday schedule for Sterling Downs, Homeview and Downtown Neighborhoods. The Department will evaluate the effectiveness of this change, and if the program meets its objectives the change will be made permanent.

The following street sweeping schedule will start October 6th:

- **Sterling Downs and Homeview neighborhoods will be swept on Wednesdays (*instead of Mondays*) starting October 7th every other week.**
- **Downtown neighborhood will be swept on Fridays (*instead of Mondays*) starting October 9th then every other week.**

The Department will also be conducting enhanced sweeping in the retail, commercial and industrial areas 3 times per week prior to sweeping residential areas. This enhanced sweeping is part of the Municipal Regional Permit (MRP) to help reduce litter and pollutants from entering our waterways. For more information, visit the City's Street Sweeping Webpage [HERE](#) or contact Public Works at 650-595-7425.

**Join us for the Great Race for Clean Air!**

This week City employees got an opportunity to learn more commute alternatives to driving to and from work alone.

This friendly competition among Bay Area employers determines who will reign as the company with the best Bay Area commuters. It encourages employees to commute via transit, carpooling, vanpooling, walking, or bicycling – anything but driving alone to work - in order to reduce air pollution in our region.

To obtain more information, go to [Join the Great Race for Clean Air](#) and help Spare the Air! Choose a Clean Commute—anything but driving alone! Carpool * Bike * Take Transit * Vanpool * Walk

Mailing of Sample Ballot and Official Voter Information Pamphlets for the November 3, 2015 Consolidated Municipal, School & Special District All-Mailed Ballot Election Begins September 24

(Redwood City, CA) On September 24, San Mateo County will begin mailing the Sample Ballot and Voter Information Pamphlet to registered voters for the November 3, 2015 Consolidated Municipal, School & Special District All-Mailed Ballot Election.

Voters participating in the Go Green! Program will receive an email notifying them that their Sample Ballot and Official Voter Information Pamphlet is available online by visiting www.shapethefuture.org and clicking on "Check My Registration/Access My Election Materials/View My Voter Information Pamphlet" to download their pamphlet in digital format.

The Sample Ballot Pamphlet is an important resource for voters to help prepare them for the All-Mailed Ballot Election. The Sample Ballot Pamphlet includes:

- Information about candidates and measures on the ballot
- Voting Options (Vote-by Mail, Drop-off locations, Universal Polling Places, and Voting Centers)
- Information about the Go Green! Program

"This election will be different from the traditional polling place elections we have had in the past," said Chief Elections Officer & Assessor-County Clerk-Recorder Mark Church. "This is an All-Mailed Ballot Election, which means every voter will get a ballot in the mail, even if the voter has not signed up to vote by mail previously," he added.

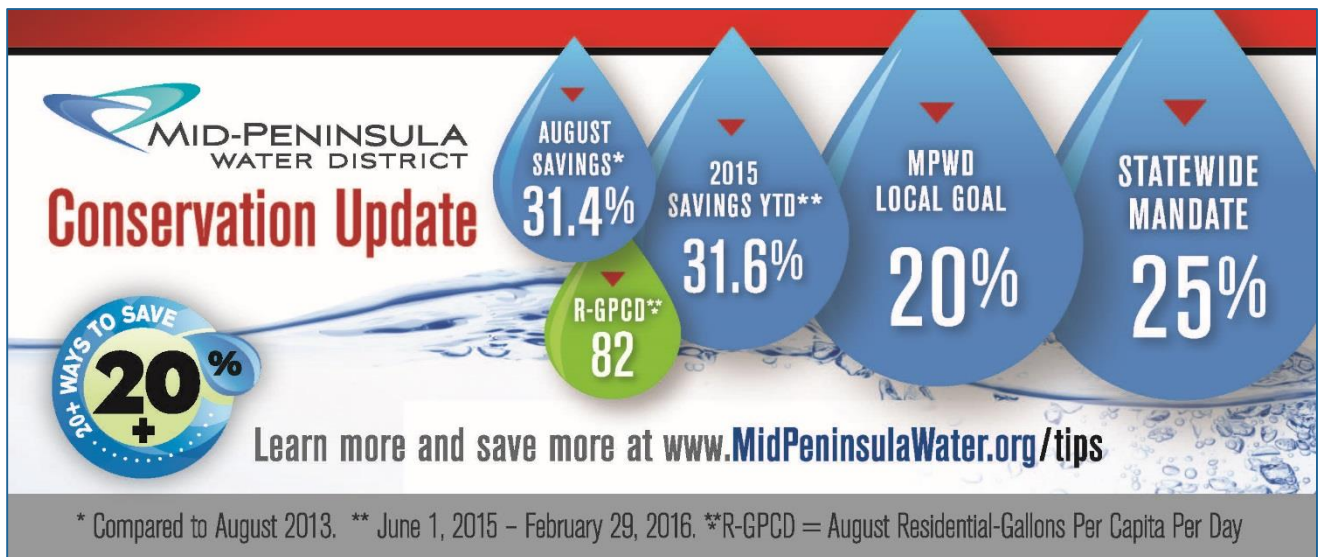

Starting on October 5, Official Vote by Mail Ballots with postage paid return envelopes will be mailed to all registered voters. Returned ballots postmarked on or before Election Day will be accepted and counted provided ballots are received up to three days after Election Day. Also, voters may drop off their voted ballot at any one of 20 City/Town Halls, 32 Universal Polling Places, or 2 Voting Centers in the county. Lastly, on Election Day, voters may vote on a voting machine at any of the Voting Centers or Universal Polling Places in the county. Voters will find a comprehensive list of these locations and their hours of operation in the Official Voter Information Pamphlet.

The Federal Voting Rights Act ensures that all voters have language accessible election information. Voters who favor Chinese or Spanish language election materials may request them at the time they register to vote or at any time thereafter.

Visually impaired voters may request a copy of the county's Sample Ballot and Official Voter Information Pamphlet on audiotape by calling the Registration & Elections Division at 650.312.5222.

For more information about this November's All-Mailed Ballot Election, visit the Registration & Elections Division website, www.shapethefuture.org or call 650.312.5222.
